CC to soft blue
Row 51-61: rep row 45
Row 63: K across
Row 64: Cast off

Fold hood in half so right sides r facing each other and sew the top of the hood shut.

Turn jacket inside out and sew up the arms with white yarn.

With right side facing you start at the bottom of the jacket working upward and around the jackets opening, SC around the jacket. Do not crochet the bottom of jacket.
Important note: to not SC to close together or you will not get a straight edging for the jacket and get a rippled effect. Space the SC evenly around the jacket.

You must Block your work to prevent curling. This can be done at a dry cleaners or yourself.

Have fun!
